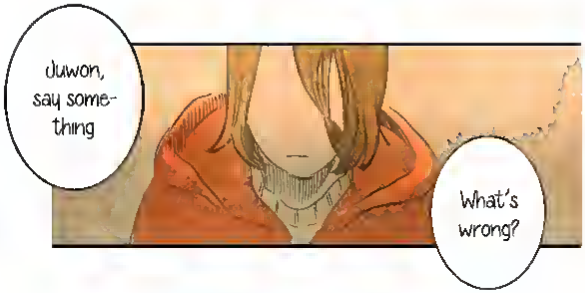
"It's really one bad thing after another for them, isn't it?"

No

I don't want your help

Why don't you want me to help?



Juwon, say some-thing
What's wrong?

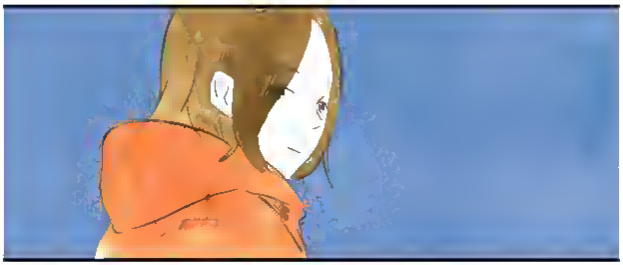
Juwon

Pull

Juwon
I'll take care of it myself

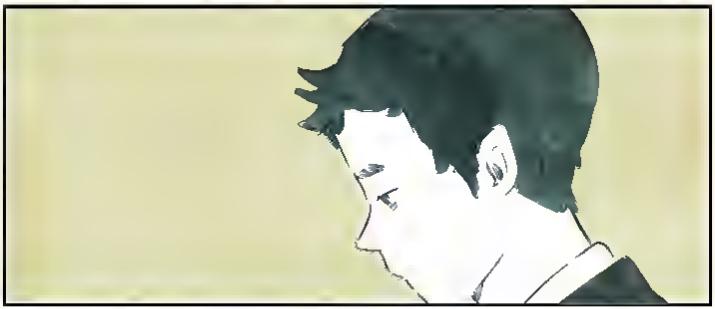
Let's stop talking about this

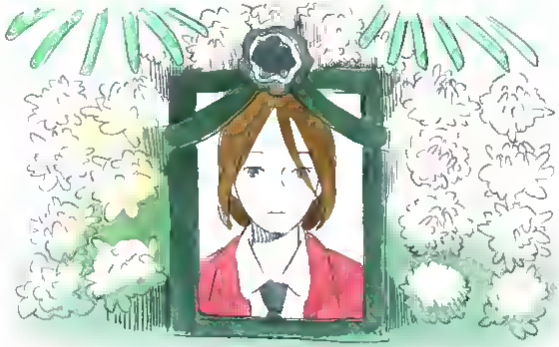
Juwon!

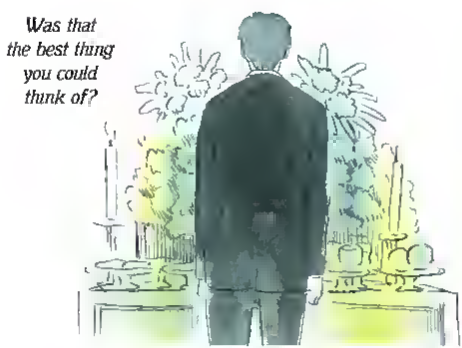


Don't
follow me

That was the last time I met with Juwon







Was that the best thing you could think of?

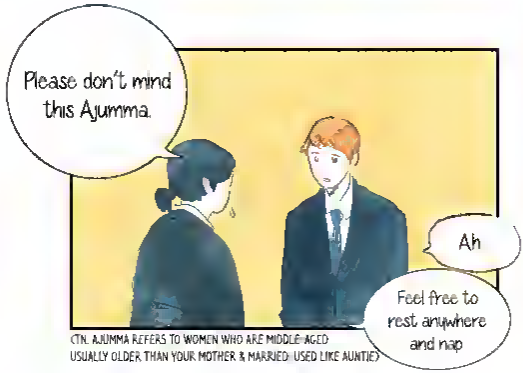
Student Yeonseong, aren't you tired?

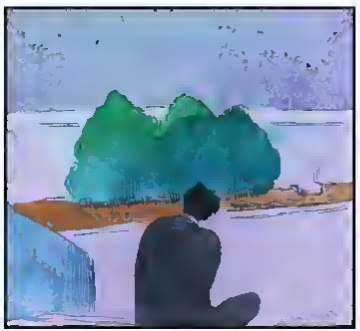
You shouldn't have to be up this late
It's fine

And Younghwa?
He went out for some fresh air
His head hurt



(TN. AJUMMA REFERS TO WOMEN WHO ARE MIDDLE-AGED USUALLY OLDER THAN YOUR MOTHER & MARRIED. USED LIKE AUNTIE)

What good came out of you dying?!



Hey Ju Younghwa

AH, IT'S COLD!

Don't touch the nape of neck!
Aish, I've got goosebumps
You're getting angry over something like that?

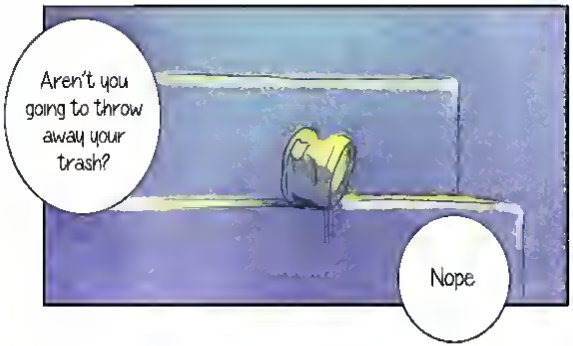
I hate it ! I told you not to do that
I got it I got it.

You cried?
No

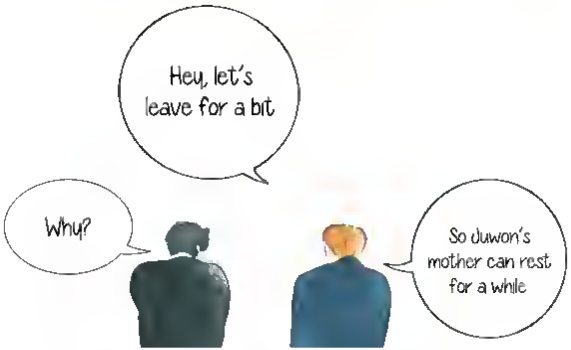
sniff

crumple
crumple

crunk
throw



Aren't you going to throw away your trash?
Nope



Hey, let's leave for a bit
Why?
So Juwon's mother can rest for a while

I'm fine here
Maybe this will bother you

Juwon's father is about to explode

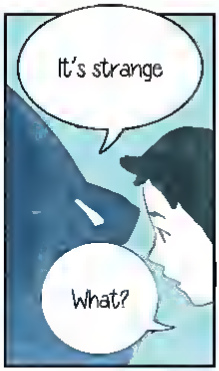
You wanna rest for a bit at home with me?
Shall we?
Pat
Pat

Should we take a taxi? We can't use any of the cars
I brought my bike Let's go

Have you ridden a bike?
Nowadays, who can't ride one?

You okay?
This is troublesome.
And I'm cold.

'Kay
Let's go



It's strange
What?

If we go on like this,
it feels like nothing's happened

Should we go to Juwon's now? And play together?
What are you saying?

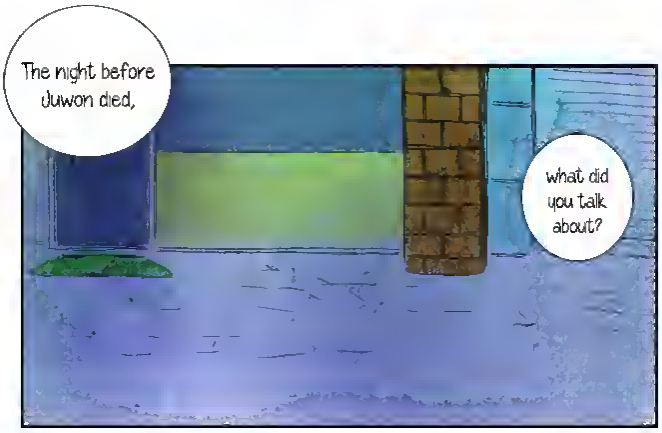
And at a time like this, that's inappropriate
Haha

Young-hwa
Yeah

What did you say?

Huh?

That day,
to Juwon

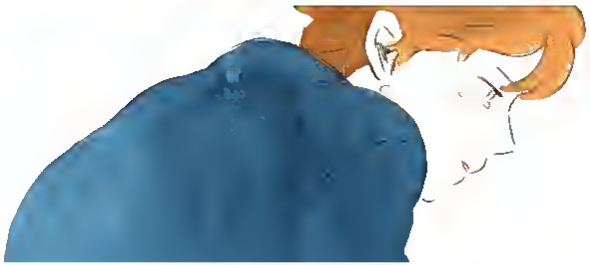


The night before Juwon died,
what did you talk about?

Don't
follow me

I offered to help
Told her not to worry

But
she still died



sobbing

At dawn, we rode a bike while crying our hearts out.

This is so we didn't have to suffer anymore.

Look.
It's because
of you.

WHOOSH

BEEP

It's all
because of you.
